

Cass County Conservation Board December 2018

CONSERVATION UPDATES:

Upcoming public programs this month: Soiree with the Swans will be January 5th 11am-2:30pm at Schildberg Recreation Area Lake 4. Cabin Fever Escape- January 19th 1-4pm @ Outdoor Educational Classroom. Sledding, snowshoes, warm drinks and movie inside the shelter. Winter Camp: February 18th or 22nd 2019 for k-2nd graders. 3-5th grade winter camp held in March 2019.

I will be gone from December 10th -14th. I have limited spots left for programs in December.

I will be sending out a January Newsletter over your Christmas break please email me if you would like to know the featured programs for January in advance. It is never too early to schedule!

Book NOW for SNOWSHOES! We have our OWN!! I have 5 pairs of snowshoes that fit children 90 lbs. and below. I have 25 pairs fit children weighing up to 175 lbs. and 3 pairs for children over 175 lbs. Here is how it will work, I am leaving three morning and afternoons open in January and even more in February for snowshoe programs. December dates are 17th and 18th! You can email me and set up a program like you usually would, I will put you on the list for that month (if no snow yet) or if we have snow we can put you in on a date for the program. Another words very flexible!! Think about bundling up your whole class and getting them in the shoes, so 45 mins is preferred for 3rd -12th grades. 2nd grade and below (EVEN preschool!), same amount of time roughly, considering that your children are weighing less than 90 lbs. and we can rotate them in and out in groups of 5. Any green space will work near the schools, and with the least amount of concrete for the snowshoes to be near is best!

Field Trips: A trip to see the Trumpeter Swans at Schildberg Recreation Area Lake 4 is a fantastic winter option. It also pairs well with a Swan Program before in school! Reminder Outdoor Educational Classroom outside Massena is available to all school districts, ALL year round. Classroom/ lodge is heated. Lots of programming options available, including new trunks (Birds, Tracks, Iowater, and Orienteering) are available, contact Lora.
